Fresh Start Community Church Outreach Ministries

Fresh Start Community Church is offering an after school program to assist children with school work and study skills. It is open to anyone in our community who wishes to take advantage of this free service. We especially want to invite those who have children that are at home alone after school to take advantage of our program. Beginning September 3rd the program will run Monday through Thursday when school is in session from 3:30 PM until 6:00 PM. Please contact the church for more details and to obtain an application. Space is limited.
